

SUNY Broome Community College Job Placement and Transfer Report 2016-17 Graduates

Completed by the Institutional Effectiveness Office

SUNY Broome Community College Job Placement and Transfer Survey Results 2017

Institutional Effectiveness Office Summary

Background: As an ongoing part of monitoring the success of SUNY Broome Community College graduates, the Institutional Effectiveness Office conducts an annual survey of graduates from the 2016-2017 academic year (fall 2016, spring 2017, and summer 2017). Graduates self-reported job placement and transfer information. This information is shared with the campus community.

Methodology: The Institutional Effectiveness Office surveyed 1,273 graduates during graduation rehearsal, and one mailing in fall 2017. Responses were received from 420 graduates, which is a response rate of 33.0%.
